# Charity Golf Day 2025

We are delighted to return for our annual Golf Day at the prestigious Woburn Golf Club.

Woburn Abbey and the surrounding estate will provide a stunning backdrop for the day, with the event taking place on Woburn's Duke's Course.

Teams of four\* will tee off after breakfast, where they will enjoy 18 holes on the impressive Duke's course. There will also be a range of fun on-course competitions throughout the day including nearest pin, longest drive and beat the pro. Afterwards, teams will retire for a well-earned drink, before sitting down to enjoy a three-course gourmet dinner with wine and prize giving. There will also be a Live Auction and Raffle in aid of Ride High and a former member of the charity will also speak.

## Ride High transforms lives

We work with  
**120**  
children each week

We've supported  
**2,000+**  
children in total

We were established  
**16**  
years ago

Ride High transforms the lives of the most disadvantaged and vulnerable children in Milton Keynes. We effect lasting change in their attitude, self-confidence and life prospects so they become happy young people who are positively engaged in the outside world.

All the children are referred to us by childcare professionals so we can prioritise those most in need of our help. Each faces overbearing challenges that make everyday life a struggle. Many are very poor or non-school attenders when they join us.

120 children come to our home at the Ride High Equestrian Centre every week for up to a year. They follow a programme of structured learning which includes riding and caring for the horses and associated educational and creative projects in our clubroom. Time spent with the horses promotes confidence, responsible behaviour, trust and pride. Clubroom activities teach life skills such as literacy, communication and teamwork.

Demand for our unique service has continued to increase since the pandemic and is reflected in our growing waiting list of over 100 children in need. You can help Ride High to make a difference to these young lives and many more by entering a team into our Golf Day.

*"Ride High is like a bubble that is so different to the rest of my life, it is an escape that helps me not be in my head as much. I don't often have times when my mind isn't overthinking, but when I am here I find the horses comforting which helps me relax."*

Adam, 16.

*"Ride High has helped me so much and given me a reason to get out of bed in the morning. When riding I feel more confident in myself, I feel calm and all my problems go away."*

Melody, 17.
